DECLARATION

Due to health and safety reasons we are unable to process your instruction without the completion of this form.

Please ensure it is completed in its entirety, as the instruction form is used to ascertain how many agents will be required to enforce the writ safely and successfully. We may also carry out a risk assessment visit for the same purpose. Once these steps have been completed, we will contact you with our available dates and times for your consideration.

Residential evictions – under Civil Procedure Rule 83.8A it is a legal requirement to serve a 14-day Notice of Eviction (unless otherwise specified by the court), if the tenant leaves during the notice period or the eviction is cancelled, the client/claimant remains liable for the full quoted/invoiced amount.

Commercial evictions – on larger evictions (three x officers or more) a minimum period will be quoted to cover the deployment and attendance of our officers, the agreed minimum period will be chargeable regardless of whether enforcement is completed sooner.

Cancellation – if an eviction (other than a residential eviction) is cancelled within 48 hours of the planned date and time the client/claimant will be liable for 50% of the quoted charges, if an eviction is cancelled within 24 hours, then the client is liable for the full quoted/invoiced amount.
